**REQUEST FOR CORRECTION OF ENTITY STATUS**

Commissioner for Patents  
Mail Stop M Correspondence  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This communication hereby notifies the United States Patent and Trademark Office that the small entity status listed for this application/patent is incorrect, and it is respectfully requested that the status be corrected to large entity status. Applicant/Patentee has never claimed small entity status nor paid small entity fees for this application/patent.

The undersigned notes that in the transaction history in PAIR, it states "12-21-2005 Applicant Has Filed a Verified Statement of Small Status in Compliance with 37 C.F.R. 1.27" (no copy of this document is available in PAIR). This is incorrect. On December 16, 2005 (with a certificate of mailing), Patentee filed "Fee Address Indication Form" which merely identified Computer Patent Annuities, Inc. for the fee address for this patent (see attached). No small entity statement was ever filed for this application/patent.

On January 28, 2009, the fourth year maintenance fee was paid for this patent. Consistent with the large entity status for this patent, the fee for a large entity was paid. As this

is the correct fee, it is respectfully requested that there be no refund of any portion of this payment.

Therefore, as Applicant/Patentee has consistently claimed large entity status and has never claimed small entity status, it is respectfully submitted that the status listing for this patent is incorrect, and it is requested that the status for this application/patent be corrected to large entity.

Favorable consideration is earnestly solicited.

COMPANY/FIRM NAME AND ADDRESS

Respectfully submitted,
